Security & Traffic Control Staffing, Planning and Management

"THE LAST THING ON YOUR MIND IS THE FIRST THING ON OURS"

January 17, 2023

To whom it may concern,

We are a special event security manager and have been associated with Rob Hawkins and his organization, Worldwide Canine, for almost 10 years. During that time, we've utilized his canine teams on numerous occasions when our clients have requested E.O.D canine sweeps and general canine presence to enhance their event security.

Rob has often accompanied his teams while they have been onsite. In each instance, we've found the handlers to be professional and the dogs well trained.

We have also had the opportunity to observe dogs trained by Rob and worked by local law enforcement. These teams exhibit the same level of training and professionalism as the teams Rob has provided to work our client sites and events.

We would not hesitate to utilize the Worldwide Canine Teams for any of our client's events.

Best Regards,

Danny Kay
