## MR. ROBIN A. HAWKINS

Rob is a thorough professional when we are talking of working dogs. He knows dogs inside out. He is Number one in dog selection and K9 handler training. He is good in Explosive and Narcotic dog sweeps. In canine utilization, Rob has a lot of experience that cannot be match with anyone I know.

You cannot work with Rob and not trust him; as such he is so reliable and thorough, that he has executed more than 2,000 working dog/handlers teams internationally.

On a lighter mood, Rob is a social being, he relates with subordinate as equal. He jokes a lot and factual in all he does.
